## Course Description

- This course is for those who are interested in the elements and principles of design and how they relate to interior design. It is based on the state curriculum standards found at the following URL: [www.usoe.org](http://www.usoe.org).
- There is an online, state competency test at the end of this course.

## Classroom Rules & Procedures

- Please make sure that you follow the dress code outlined by district policy as it will be strictly enforced in my classroom.
- Cell phones are prohibited in the classroom. If I see a cell phone I will give only one warning. The next time, the phone will be taken. The third time it will be given to an administrator.
- Please be respectful of others as well as their property. Please write your name on all your personal equipment.

## Behavior Expectations

- Be on time to class and be prepared! I will not allow you to leave class to go to your locker or to the bathroom (unless it is an emergency) once the bell has rung, so come prepared.
- Your academic grade will be determined by participation points, class assignments, project scores, portfolio checks, and tests.
- It is your responsibility to get any missed assignments and work.
- Other points will be deducted for misbehavior or other inappropriate conduct in class according to the teacher's discretion.
- It is expected that you turn in your work on time. Most due dates are on the following Friday, giving the students at least one week to complete assignments. Your student will have ample time to finish homework, so any late work will be 50% off. A list of due dates will be provided.

## Supplies

- We use a lot of magazines for projects in this class. Therefore, your first extra credit opportunity will be to bring 1 magazine that has plenty of pictures of home interiors. (Architectural Digest, Country Living, Real Simple, Victorian Home, PB Teen etc.)
- You will be provided with a 3 ring binder for this class that you will need to return at the end. Therefore, take good care of it. If you decided you want to keep your binder or you

have misplaced or damaged your binder, etc. it is \$2.00.

- All paper products and glue used for your projects will be supplied. But if you do not want to share or wait to use classroom products you may bring your own. Remember to put your name on EVERYTHING!
